My family and I are very happy with the Ionics filter. We have noticed, immediately the change in our skin & hair. The water doesn't smell funny anymore & it taste great. My father's wife came to visit & her skin has all kinds of allergies. After taking a shower, she immediately noticed the change. Our water bill has gone down by a 15% a month.

This has been one of the best investments that we as a family have done.

Thanks!
