Dear Thud.
we should had gotten this a long time ago. we are really enjoying our spa at home. This is the way it seems when we take a shower or wash dishes. And even washing clothes.
Our clothes are so fluffy & silky. we are having fun. we can't thank you & Great Southern Water Company enough. Our skin looks silky. The taste of food in our house seems as if we got a new house or someone else is cooking the meals. We are telling all our friends & neighbors about you all. It's a blessing & a miracle that is happening to us.
for the last year or so -- my husband has had a bacteria infection on his skin & back of the neck. It looks clear now. And he says it feels better. I told him all along it was our water. we are glad we switch.
