We the family Rodriguez are very happy with the change of the water the taste is much better now than before. The water is very good to drink and to get showers we feel more satisfy with it now than before. The soap that they gave me is good to we are using it and the results are great. I used the soap on the shower and I felt my skin more soft than the other soaps that I've been using. We thank you for the change that you done to our water and we love it.
