Dear Sharon

I wish to let you know how please my wife and I was on your very informative presentation of the water analysis in this area and your filtered & treated water.

At first, we were very skeptical about letting anyone in our premises but was glad that we took the decision to allow this demonstration of your water analysis.

After the presentation by your good selves we had no hesitation in purchasing this system as we felt safer drinking and bathing with the treated water.

On behalf of my wife and self we wish to thank you for a job well done and look forward to many years of enjoyment from this system.

Yours sincerely,

Zainab Hassanali
